The Summit Awards is the oldest and most prestigious organization administering marketing awards exclusively for firms with limited billings. Throughout our twenty-seven-year history, our Creative Award is established as one of the premier indicators of creative and communication excellence. Using stringent evaluation criteria and blind judging processes, our competitions reward only those firms whose work exemplifies the best in its class.

The Summit Awards makes its competitions affordable and accessible to the industry. We offer streamlined internet submissions, many ways to tout winner's achievements, and a friendly, knowledgeable customer service staff. Companies from all over the world invest their promotional dollars in a Summit Awards competition for the opportunity to be recognized as a Summit International Awards winner.
