

[United Concordia TRICARE Website](#)

AMCP administers and judges several international competitions for marketing + communication professionals involved in the concept, writing and design of marketing + communication programs and print, visual + audio materials.

Entries come from corporate marketing and communication departments, advertising agencies, PR firms, design shops, production companies and freelancers. AMCP's membership consists of the several thousand people and organizations who have entered the MarCom Awards, Hermes Creative Awards, AVA Digital Awards, and dotComm Awards.
